MEMORANDUM FOR THE RECORD

SUBJECT: Proposed GSA Records Legislation

The January 31 letter to BOB regarding subject above was read to Mr. Julius Silverstien of GSA on the telephone. Mr. Silverstien suggested that the language be softened somewhat in view of the archivist's discussion with him stating that the Office of General Counsel, CIA, had previously admitted that the Agency was subject to P.L. 78-115. I suggested that we had had such admission by saying that the above was true only to the extent that it did not conflict with the Director's authority regarding intelligence sources and methods. I also advised him that I could not supply him with a copy of our letter to BOB. We did agree, however, to get together on this legislation in the future. I will attempt to arrange a meeting between Mr. Silverstien, Mr. Carrico of Records Administration Staff, and myself approximately 5 February.
